## REMARKS

Sep-03-2004 12:53pm

In the Advisory Action under Continuation of 3 on the Continuation Sheet, the Examiner indicated, "Applicant's reply (the reply to the final office action filed on June 3, 2004) has overcome the following rejection(s): If entered, the rejection of claims 34-36 under 35 USC 112, first and second paragraphs." Now Applicants re-present claims 34-36, which are the same as the claims 34-36 presented in the reply to the final office action, and cancel all the other claims. It is believed that the application as amended is in condition for allowance.

## CONCLUSION

Based on the foregoing amendments and remarks, favorable consideration and allowance of all of the claims now present in the application are respectfully requested.

Should the Examiner require or consider it advisable that the claims and/or drawings be amended in formal respects in order to place the case in condition for allowance, then it is respectfully requested that such amendment be carried out by Examiner's Amendment and the case passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, the Examiner is invited to telephone the undersigned.

The Commissioner is authorized to charge any required fees, including any extension and/or excess claim fees, any additional fees, or credit any overpayment, to Goodwin Procter LLP Deposit Account No. 06-0923.

Respectfully submitted for Applicant,
